Subject: VERIZON CALIFORNIA

On December 22, 2008, Verizon California filed two separate documents with the Arizona Corporation Commission. However, the items did not have docket numbers referenced and when returned to the Utilities Division, an error was made when listing the docket numbers on the items. (Both documents have the following #'s referenced: RT-00000H-97-0137 and T-00000D-00-0672.)

One, which requests to withdraw Advice Letter 265, should be an amendment to T-01846B-08-0543.

The other document, requesting to revise Rule 22 of their tariffs, should actually be a new application. I will be providing you with a blank "canvas" to Docket Control to make this a new application.

I apologize for the error that occurred on these documents and appreciate your assistance in rectifying these matters for us.

If there is anything else you need from me, please let me know at your convenience.

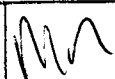

Thank you,
